

## **The Tri-Local Business Building Mastermind June 27th Challenge. Challenge Dates: March 10, 2020 to June 21, 2020**

The purpose of the Local Challenge is to keep UnFranchise® Owners on track to accomplish the tasks and activities necessary to build a successful UnFranchise Business.

It's important to remember that the difference between success and failure is very simple. The individual who succeeds simply does what the individual who failed did not do or was not willing to do. UnFranchise Owners who satisfy the criteria for the Local Seminar Challenge will be recognized at the Next Local Seminar. The best reward you will experience is that you will be closer to reaching your goals and achieving your dreams.

Winners will be recognized during the local event. Include a picture of you that you would like posted during the challenge recognition.
